

## So you want to hear Christy on WXPN, do you?

You can request to hear her on xpn online! It is fun and easy! Just follow these 5 quick steps...

1. Go to: (copy and paste link) <http://www.xpn.org/request.php>
2. Type in your request (for example): 'Comin Round' by Christy Jefferson
3. Next, select your request type from their choices. We recommend selecting 'Other Listener Request' and then in the box below, type in one of the following:  
'Philly Local Show' -- This is a perfect choice if you are unsure!  
'Morning Show: New Release Tuesday'  
'Women's Music Hour Friday w/ Michaela'  
'Sleepy Hollow' -- good spot for 'Java Jacket'  
'Kids corner w/ Kathy O'Connell' -- this is a good spot for a song like 'Speedy' or 'Buffet at the Cattle Pasture'
4. Now, they want to know your name and email address. Don't worry, they don't SPAM you or anything...We've done this bunches of times, and don't get email from them or affiliates! They probably just want to make sure it is not the artist him/herself just requesting their own song over and over. :)
5. Finally, click on the 'Submit' button!! And Sha-bang! You've been part of Christy making history! Next year when she is accepting her awards on TV, you can say 'Hey, I hung out with her at the Canal Street Pub when she released 'Live in Philly' on April Fools Day 2005 (this Friday)!!' ;)

Important Note: Request as frequently as desired (from once/week - 5x/day)! Frequent requesting has been proven to release floods of endorphins in bodies of both Requestor and Requestee! Go ahead and get hooked while the high is still legal! (Effects of requesting are maximized while consuming coffee!)
