Will you be renting a Ukulele from me? _____

May I please STRONGLY recommend you rent one of my ukuleles? These are higher quality (\$100 range) instruments that will hold tune when you play them and that have correct intonation. In other words, they will support you and your child in developing an accurate musical ear for pitch. I know they are going to come back to me nicked, and in my opinion, that only adds character to the instrument -- honestly. Perhaps you will want to buy your ukulele; the \$15 / per month rental fee counts towards your purchase of the instrument if you decide to keep it. Rent is due at the first class of each month.

\$130 due at time of Registration *if you are renting a Ukulele.* OR
\$115 due at time of Registration *if you are providing your own Ukulele.*

AMOUNT ENCLOSED: _____

There will be no refunds or additional make-ups added.
